Visitation
56% from outside Buncombe County

Asheville's Folk Heritage Committee produces the **Mountain Dance and Folk Festival®** - the nation's oldest folk festival - along with the much-loved **Shindig on the Green®**. Western North Carolina is the home of clogging and visitors from all over the world come to hear the region's exceptional mountain music, experience the excitement of clogging teams and participate in the street dances.

Shindig on the Green presents a unique opportunity for Asheville's businesses to support an important historic and cultural event while reaching both a large regional and national audience. While Shindig is free to all, each week's program carries substantial costs, for which the committee must find funding support. Won't you join us as a partner to celebrate and preserve our region's unique cultural heritage? Corporate sponsors receive recognition at Shindig on the Green and the Mountain Dance and Folk Festival. Thank you in advance for any support you can give us.

Please know that the Folk Heritage Committee is a 501(c)(3) non-profit and donations in any amount are accepted at any time and greatly appreciated. However, the sooner we hear from you, the more recognition we can provide your business. To receive full publicity benefits, please submit your contribution by April 30th. We look forward to partnering with you for the 2020 Season!
